

**TRINITY CATHOLIC SCHOOL  
FEES & TUITION (TARIFAS Y MATRICULA)

These funds must be deposited in order to receive your final admittance letter to be used at the American Embassy. These fees are not to be submitted (except the registration fee, which will be applied once the Initial Application is submitted) until you have confirmation of admittance and sponsorship by a host family.

All fees except the registration fee are refundable until July 1 of the academic year. If for any reason the student is unable to attend the school, please contact Principal Nokes as soon as possible.
