THURSDAY BULLETIN

October 15, 2020

Dear Parents/Guardians:

It was awesome to have our 3rd grade back in the building this week! Students, parents, and teachers alike were all smiles! We also saw many of the remote learners for school pictures. Their visit was brief, but it was so nice to check in with everyone.

Our annual auction event is right around the corner. Invitations have gone out in the mail, items are being brought in, and planning is well underway. If you have not signed up for your auction items yet, please do so as soon as possible. The planning committee would greatly appreciate your early assistance! To sign up for items, visit our website, click on the “Fundraising” tab, and select “Auction” from the dropdown menu. Under “Helpful Links,” you can click on “Sign-Up Genius” which lists our desired items. All items are due at school by October 26. If you prefer, a \$200 payment will be accepted in lieu of items.

Additionally, please help spread the word of our virtual auction to your family, friends, and community members. Post and share on your social media accounts. Since it is a virtual event, even family from a great distance can participate! Bidding will occur from November 9–15th, with the live event on November 14. <https://tcsspkn.ejoinme.org/trinity41stauction>

Progress Reports will be available tomorrow. Please look for copies to come home for primary students and login to Sycamore to check progress for upper grades. Teachers are available to discuss progress and concerns by appointment.

Order forms for the blue Trinity jackets and Trinity masks were sent home. Please return the forms and payments to the school office by October 26. The Trinity masks will look amazing with our school uniforms!

Thanks for another great week!
