

# TRINITY CATHOLIC SCHOOL THURSDAY BULLETIN

September 16, 2021

Dear Parents/Guardians,

This week we were able to welcome back Art and Library!!! A big “thank you” goes out to Mrs. Ecklund, Mrs. Cook, and Mrs. Ivers for making this possible! We are so grateful for our dedicated volunteers! Next week, upper grade students will have the opportunity to participate in band or strings with Mr. Manly. If your 5th-8th grader is interested, please contact Mr. Manly for more information at [pmanly@icehouse.net](mailto:pmanly@icehouse.net).

If you have not turned in your COVID health form or your hot lunch paperwork, please do so before the end of this week. The hot lunch paperwork helps to ensure that the free lunches will continue throughout this school year, as well as provides additional funding for the school. Even if your family does NOT qualify for free or reduced lunches, please sign and return the form.

MAP testing continues next week for 1st through 8th grade. Please make every effort to have your child here on time to accommodate the testing schedule.

Finally, the information for our 42nd Auction fundraiser is included. It will be a virtual event, and is scheduled for Saturday, November 13th. Please read the attached information carefully and begin working to fulfill your obligation. Each family is required to provide at least four (4) items valuing \$160 OR paying \$200. Items may be procured from businesses in the community or purchased. A Sign-Up Genius and an Amazon Wish List have been created to help prevent duplicates and create packages. A separate donation form is required for each item. All items are due at school by Monday, October 25th to allow processing time. Let's work together to make this our best auction yet!!!

Our virtual “Back-to-School Night” is scheduled for next Thursday, September 23rd. Teachers will send out short video presentations to explain protocols and expectations for the year. If you have any questions or concerns after viewing the videos, please contact teachers directly to schedule a time to meet.

Our school theme for this year is “Rooted in Faith.” Throughout the year, this message will be woven into teachings and projects. “May your roots go down deep into the soil of God’s marvelous love; and may you be able to feel and understand, as all God’s children should, how long, how wide, how deep, and how high his love really is; and to experience this love for yourselves, though it is so great that you will never see the end of it or fully know or understand it.” ~EPHESIANS 3:17-19

Thank you for your continued support of Trinity! We are so happy to serve your family!

Stacie Holcomb
