

TRINITY CATHOLIC SCHOOL THURSDAY BULLETIN

February 10, 2022

Dear Parents/Guardians:

Even though Catholic Schools' Week has ended, we continue to celebrate the many wonderful blessings that make Trinity special. This week, during National School Counselor's Appreciation, we are recognizing the gift of Mr. Tony Schuh to our community. Mr. Schuh is a valued member of our school community, provides skills and compassion to our students, and guides parents as well. We are so grateful for his time, talents, and for choosing Trinity! Throughout the week, I encourage you to send Mr. Schuh a message of gratitude if he has served your child or family in any capacity. Notes can be delivered to the office or sent directly to tschuh@trinityspokane.com

The application for enrollment is now available on our website under the tab, "Current Family Enrollment." The application for tuition assistance is also available under the "FACTS Management" tab. Please make time to complete these applications as soon as possible. Fair Share conferences will be held March 7-9th for families who wish to discuss tuition contracts. Appointments can be made using Sign-Up Genius or the following link: <https://www.signupgenius.com/go/805094FACAA2FA5FC1-fair7> If you do not need to discuss your tuition contract, no conference is needed. Simply sign and return with the registration fee. Contracts will be generated to reflect at least a 5% increase, depending on the information submitted in the FACTS application.

All families who have completed the enrollment application process prior to February 22nd will be entered into a drawing for two tickets to a Lady Zags game on Saturday, February 26th! A big thank you to Mr. and Mrs. Ivers for the use of their tickets!

During the past years, Trinity has worked diligently on specific plans for school improvement, known as accreditation. We are accredited by the Washington Catholic Education Association. Our next visit is scheduled for late March and involves a team of highly qualified educators visiting our campus to affirm our self-study document and assist in setting goals for future improvement. If you have any interest in hearing more about the accreditation process, please reach out. During the accreditation team visit, we will have several volunteer opportunities available including providing meals and snacks, setting up/cleaning up provided meals, and additional cleaning and sanitizing. These opportunities will be added to Sign-Up Genius as the time draws near.

Next Monday, students may wear free dress with Valentine colors to help celebrate the holiday!

Finally, if you know of any families who are looking for the best kindergarten in town, please invite them to our Kindergarten Open-House on February 23rd. We are always grateful for referrals and love to add to our special community.

Blessings,
Stacie Holcomb
