

TRINITY CATHOLIC SCHOOL

THURSDAY BULLETIN

Dear Parents/Guardians:

Welcome back! We hope your spring break was full of fun, relaxation, and memories! As a reminder, school is closed tomorrow for parent/teacher conferences. Educare is available for those who register in advance. If you are not meeting with your child's teacher, please ask to see their report card and discuss progress with him/her.

Last weekend, several Trinity students were presented awards from the Veterans of Foreign Wars for participation in their annual patriotic essay contest. Congratulations to all of the winners!

This was a busy week! We began a partnership with Gonzaga University's physical education department. We also had reconciliation for Lent, class picture day, and emptied the envelope for Day in Motion! The student who has earned the most as of today will be treated to a McDonalds lunch next week! Please continue to assist your child(ren) to obtain sponsors for this event. Our fundraisers help us to keep costs low and support families who need tuition assistance.

Cow Plop tickets are in the office if you would like to pick them up early and begin selling. All tickets will be sent home soon. There will be another fabulous prize for the top selling family! We are adding a classic car show to the Cow Plop event so if you know someone who would like to enter, please let us know.

One final reminder that school and Educare will be closed Monday, April 18th in observance of Easter Monday. The community Easter egg hunt that was scheduled for Saturday has been canceled. Sorry for the late notice!

"Let your hearts be glad. Shout with joy and celebrate this great day. Easter is here, and so is new life and hope."

Have a blessed Easter!

HOW IS THE DATE OF EASTER DETERMINED?

Would you believe the date of Easter is related to the full moon? Specifically, Easter is celebrated on the first Sunday following the full moon that occurs on or just after the spring equinox.

In the year 2022, the spring equinox happened on Sunday, March 20. The first full moon to occur after that date rises on Saturday, April 16. Therefore, Easter will be observed on the subsequent Sunday, which is Sunday, April 17.
